

EVO FAX

Fax to Email

EVO-Fax is more than a fax machine. It provides you with a personal instant fax number routed to your inbox via PDF format. When you receive a fax, there is no waiting or hassles. It increases employee productivity. Forward faxes anywhere in the world via email or save faxes for future reference. With local numbers to choose from you will receive faxes to your email account. No additional equipment, phone lines or maintenance required.
